

## English Pupil Voice

"I like dictation because I enjoy writing sentences."

"I like writing stories because it's fun."

"English is important because you need it for your job when you're  
older."

"I really love writing stories, it's good to read your own work and  
see what your mistakes are because that's how we learn."

"Writing is an important skill for communication."

"I enjoy writing poems, as well as stories."

"I like that we write about other subjects: I liked writing about  
the Tudors."
