Dear Parents/Guardians,

From September, St Laurence School will be using Class Dojo to communicate with parents. You may be familiar with the app if your children attend other schools or nurseries who use it. Class Dojo is an interactive app where parents can see when their children receive house points, important dates and letters, view photographs of their child's class learning, and send and receive instant direct messages (in a language of their choice) to and from school.

You will be sent an invitation link via text message, or you can use the code attached to this letter.

We hope that by using this application we will be able to better communicate directly with you and help support you and your child more effectively. If you have any questions please contact your child's teacher.

Mrs Shields Designated Safeguarding Lead

Key Stage 2 Coordinator

P.S. Please note that school staff will only be available via direct message during working hours. Absences, medicines and illnesses will still need to be reported through the school office.
