<p>Collaborative tasks</p> <p>Gratitude and positivity</p>	<p>Spellings and Maths</p> <p>Creative Homework</p>	

Year 5 and 6 Autumn 2 2023

Dear Parents/Carers,

Next half term we will be looking at the question 'Why Do Oceans matter?' and considering how we can help to limit plastic pollution. This will also feed into our work on Microorganisms and how animals adapt to the environment around them.

Other information

PE will be a mixture of both outdoor and indoor this half-term so please ensure that there is suitable kit, including footwear, in your child's bag.

PSHE will focus on Health and Wellbeing as detailed above. If you would like further clarification, please contact us on Dojo.

Homework will continue to be given out and marked on a Thursday and spellings are also in the homework book.

Any questions, please send a Dojo to your class teacher.

Thank you

Mrs Shields-Sapphire

Miss Melia-Topaz
